Dear Parents and Friends of Fifth District ES:

We can think of no better investment than the education of our children. The annual budget each school receives is sufficient to operate the school and fund the normal expenditures for classroom equipment and supplies. However, we always appreciate your support to provide our students in enhancing our current level of technology and supplementing teacher supports. **We need your support!**

Fifth District has decided to continue a direct (tax deductible) donation fund called the Fifth District *Fund for Excellence*. We have designated the following areas of need:

- **Funding to maintain/enhance our current level of technology.**
- **Funding supplementing paid parent helper positions.**

If you can, we ask you to join us in making the *Fund for Excellence* drive a success. Please return the donation form below, along with your check, in the attached envelope. You will receive a receipt for your tax records. If you would like to share this information with a business contact, additional forms are available in the school office or on the website at <http://fifthdistrictes.bcps.org>.

We appreciate your support! While all your donations are on a voluntary basis, we strongly urge you to join us in making Fifth District Elementary School the best elementary school in the county.

Sincerely,

Principal
