

Calling All Artists! Fifth District Elementary is participating in the National PTA Reflections Art program. This contest is run at the County, State, and National levels. Entries from all grades and abilities are welcome.

Student entries submitted to the national level go through two rounds of review by esteemed arts professionals across the country. Over 200 students are recognized for their achievements in the arts and their works are exhibited throughout the year. Top national-level winners are provided prizes and scholarships and their works are showcased and exhibited.

Reflections Theme Contest

Students are invited to submit a concept to be considered for a future Reflections program theme. Every year, one student's theme is selected by a team of National PTA volunteers and the winning student is awarded and recognized.
